

Production Associate

BOLD Growth is a small craft-cannabis company providing consistent and high-quality products in the extremely competitive cannabis industry. Our success can be attributed to the collaboration of each of BOLD's hardworking and dedicated team members. At BOLD, we pride ourselves on producing best-in-class craft cannabis products that outperform our competitors.

If you join our team, you will be joining a small group of highly passionate and motivated people who value your role, progressive ideas, and will advocate for your professional development. We focus on continuous improvement, efficiency and building a positive work environment.

If you are enthusiastic, willing to learn, have the openness to adapt, and want to be an integral part of one of the most exciting and desirable companies in the cannabis industry, we'd love to have you.

The **Production Associate** reports directly to the Production Leads and is responsible for performing tasks involving physical labour and attention to detail. The Production Associate role is responsible for the efficient processing of cannabis material according to established procedures, protocols, and workplace policies.

Duties and Responsibilities:

- Harvesting and processing of cannabis
- Operation of automated and manual processing equipment
- Quick and efficient manual trimming of cannabis
